NEW INTERIOR ROUTE FROM SPOKANE TO SOUTH COAST IS ASSURED

California railroad contractors have een awarded a \$12,500,000 contract by the Harriman system for the construction of 250 miles of line between Nampa, Idaho, and Winnemucca, Nevada, which will connect the northern and southern Harriman systems in the new short line of the Harriman system between Spokane and Los Angeles by way of the interior.

The promise of the Harriman system to connect the north and south interior with a main line was made early in September last year.

The object of the line is to furnish a through route which will escape the disadvantages of the coast haul and to combat the Hill system, which has completed arrangements for a short porth and south line to San
